ATTN: LICENSING AND REVIEW

Dear Sir:

In response to the request for a statement under 42 U.S.C. 2457, having a mailing date of May 4, 2004, the undersigned declares as follows:

I, Hamilton Wong, a United States citizen residing at 18 Spyglass Road, Skillman, NJ 08558, declare:

That I made and conceived the invention described and claimed in Patent Application Serial No. 10/790,591 filed in the United States of America on March 1, 2004, entitled "Anti-Contamination Coated Multi-Layer Insulation";

That I made and conceived this invention while employed by Lockheed Martin Corporation, a Maryland corporation, having a principal place of business at 6801 Rockledge Drive, Bethesda, Maryland 20817;

That the invention is related to work that I am employed to perform and was made within the scope of my employment duties;

That the invention was made during working hours and with the use of facilities, equipment, materials, information and services of said Lockheed Martin Corporation; and

That to the best of my knowledge and belief, the invention was not made, conceived or first actually reduced to practice under, nor is there any relationship of the invention to the performance of any work under any contract of the National Aeronautics and Space Administration.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
